## Who We Are

### Leadership in Gaskets and Technology

CPI ProdySol is a company specialized in manufacturing of all kind of sealing products, and always adapted to markets and customers needs. With the biggest range of products, and High quality materials, our commitment with our customers is the most important thing for us. Our constant search for technological innovations makes us a leading company in the sealing industry.

With production sites in Spain and China, we are one of the leading manufacturers of O-rings on the market. We comply with the ISO 9001 standard and are firmly committed to sustainability and respect for the environment.

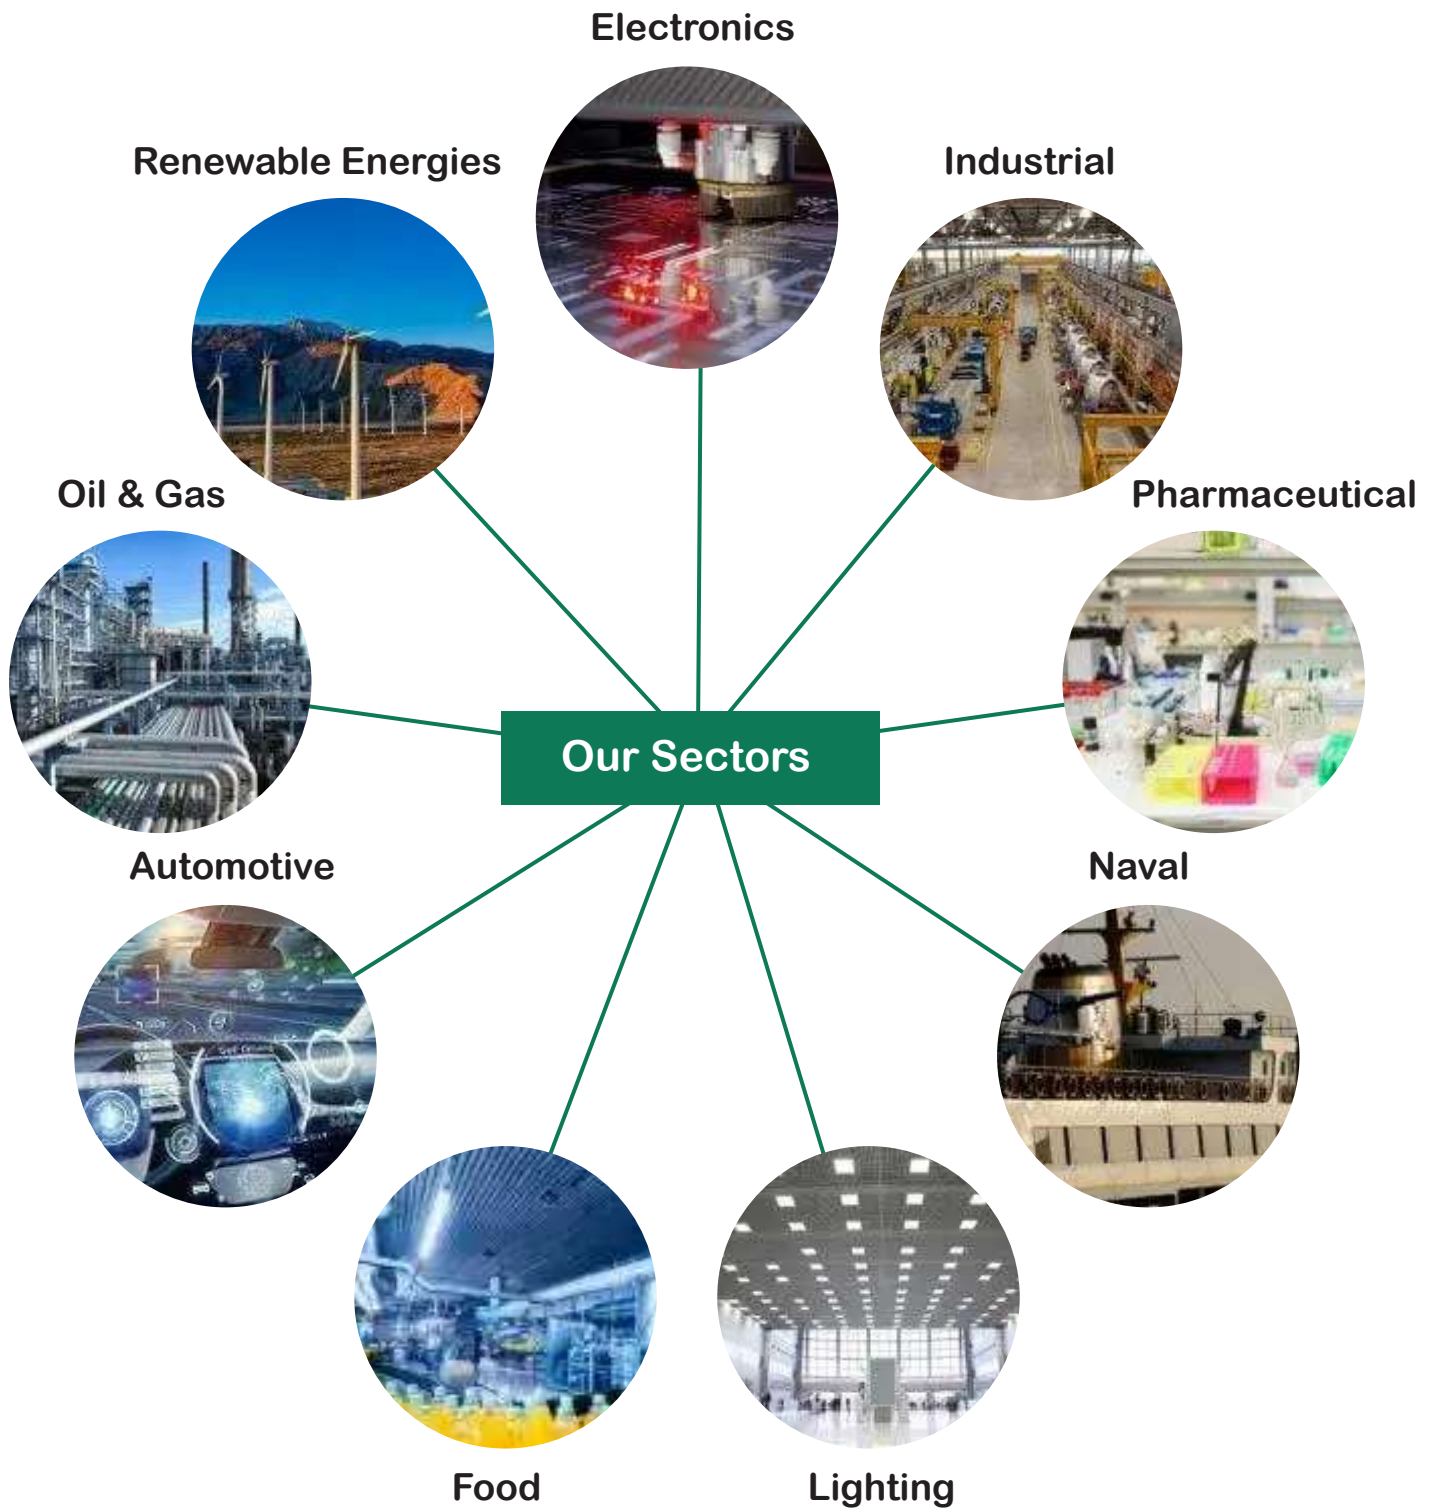

## About Us

CPI ProDysol's priority objective is to manufacture and market sealing gaskets, rubber gaskets, 3D filaments, adapting to the needs of the market and our customers.

## What We Do

- \* CPI Sealing - specializes in sealing gaskets, O-rings and dielectric kits among others.
- \* CPI Fluid & Automation - offers solutions for the connection and conduction of fluids.
- \* CPI Electronics - Supplies electronics related products like standard plastic boxes or silicone molds.
- \* 3DCPI - supplies products for filament 3D printers.

Isolation Kits

Monoblock Cathodic Joint

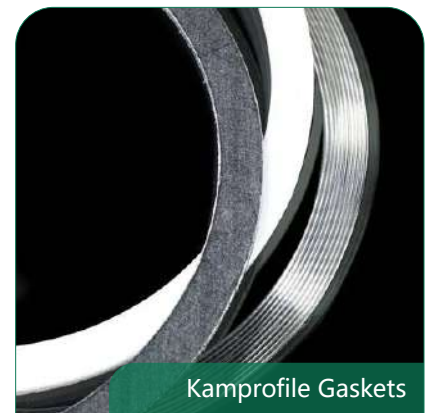

RTJ Gaskets

Spiral Wound Gasket

Double Jacketed Gasket

Kamprofile Gaskets

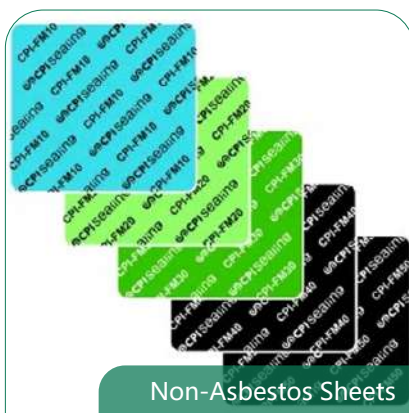

Corrugated Joints

G-ST/CPI-RM Gaskets

Non-Metallic Gaskets

Non-Asbestos Sheets

Foam Epdm, Cr,Eva, Pu, Nbr+Pvc

Diecut Rubber & Foam Gaskets

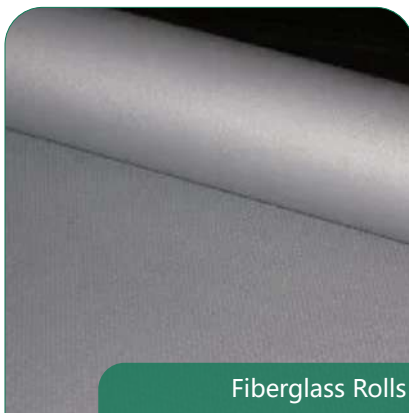

Pu Polyurethane Gaskets

Piston Seals

Ceramic Fiber

Fiberglass Rolls

Fiberglass Sheets

Moulded

Sandwich Joints

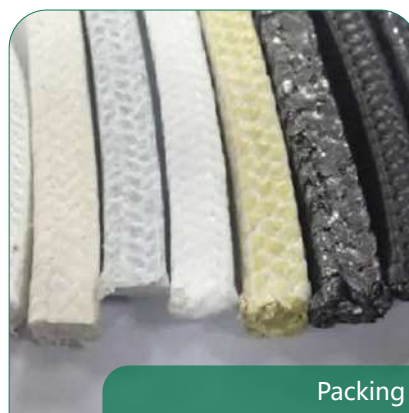

Oval Joints

Flange Guards

Flange Metal Guards

Packing

Hammer Union Seals

Plastic protectors for flanges and pipes

Stud Bolts, Nuts & Washers

Expansion Joints

Graphite Products

Graphite Rings

Graphite Seats

Graphite Sheets

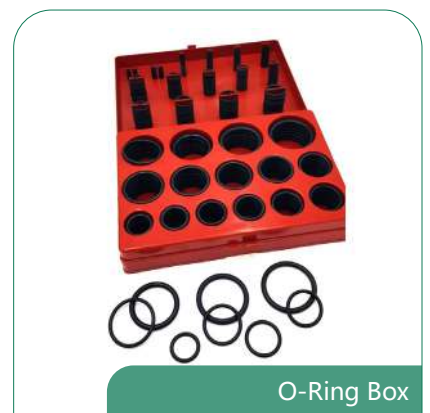

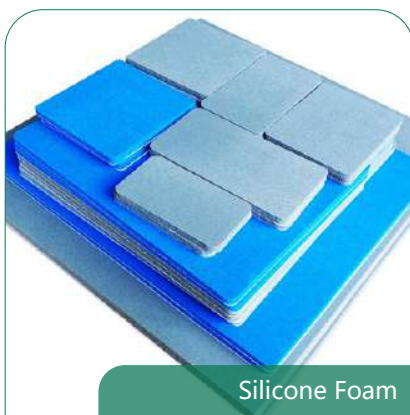

Mica Sheets

Graphite Corrugated Tape

Spiral Metallic Graphite and Tapes

Cnc Machining

PTFE Sheets

Modified PTFE Sheets

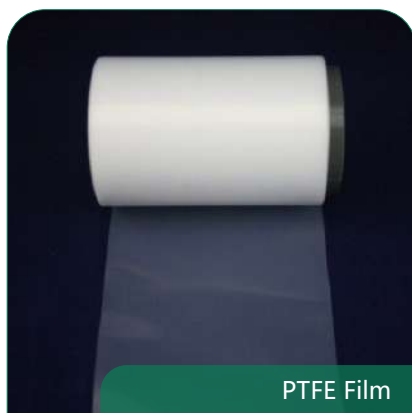

Expanded PTFE Sheets

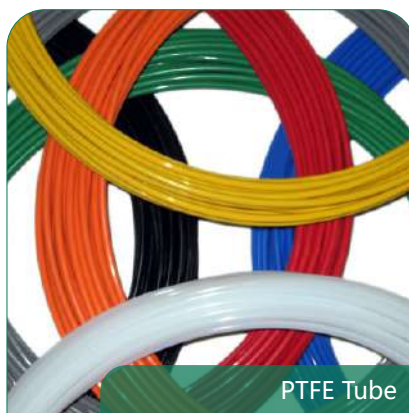

Expanded PTFE Rolls

PTFE Modified Dollas Tubes

PTFE Film

PTFE Tube

Alveolar PTFE

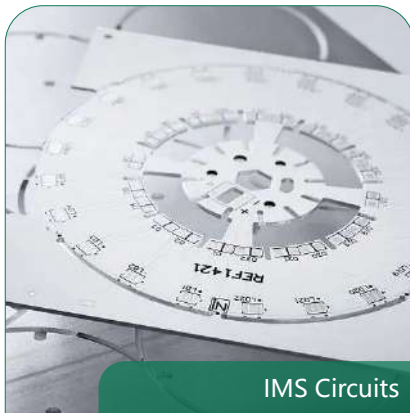

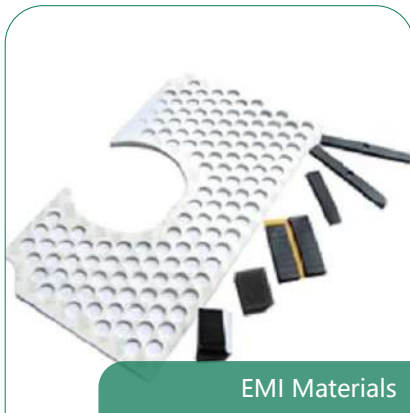

Machined PTFE Parts

PTFE O-Rings

Seteel Lined PTFE Gaskets

PA - PU Tube

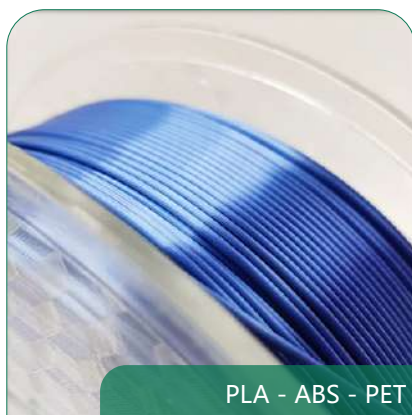

Metalbunas

Pneumatic Fitting

3DCPI

PLA - ABS - PET

3D Technical Filaments

3D Decorative Filaments

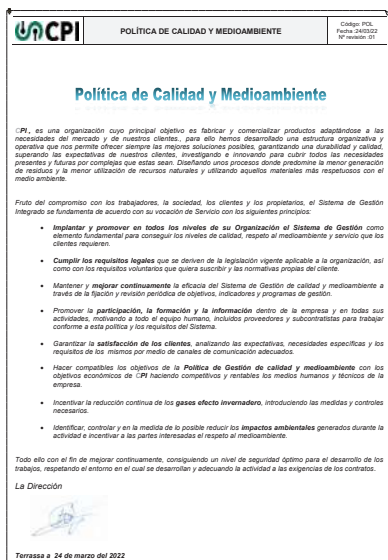

CPI ProdySol guarantees that all our products comply with national and international standards and regulations.

In this way we want to actively contribute to the growth of our Clients with a product of the highest quality, full guarantee and continuous improvement.

We also guarantee rigorous controls and tests on our products throughout the manufacturing process, and full product traceability, which allows us to know and identify at all times, during manufacturing and after delivery, all the information regarding raw materials, test results and tests.
